Spring Gala — an outstanding success

Our 29th annual auction fundraiser was held March 12th at the Q Center in St. Charles. The event, co-chaired by Dan & Karen Fox and organized by CCC Events Coordinator Karina Albert-Sheppard, was a great success!

Over 300 guests enjoyed delightful underwater décor and accompanying music while eating a delicious meal and enjoying the “selfies” which were taken at each table and shown on the big screens.

Following the meal Margaret and Brandon

Heads or Tails participants

Fox delighted the audience with a moving rendition of “Bridge Over Troubled Waters,” followed by artist Tracy Padron who shared a preview of the entrance mural which she is painting in our facility

Terry Dunning again charmed us with his skill and elegance auc-

tioning off 25 live auction items that included tickets to sporting events, jewelry, specialty toys, fun get-aways and entertainment packages and birdhouse.

Mitch Esterino again led the crowd in a rousing game of “Heads or Tails.”

Many thanks to all who made this fun evening possible: committee members, staff, donors, and guests.

Sexual Assault
Awareness Month

April is Sexual Assault Awareness Month. This year we are more aware than ever of the dangers and damage that is done from sexual assault, and that something can be done about it when we are all involved.

From the arrest of Bill Cosby to the movie “Spotlight,” and the documentary “The Hunting Ground”, there has never been more of a focus on sexual assault.

Please join us for our Sexual Assault Awareness Month activities.

THE HUNTING GROUND

THURSDAY APRIL 28, 2016
1:00 PM to 3:30 PM
6:00 PM-8:30 PM
SPARTAN AUDITORIUM, G100
ELGIN COMMUNITY COLLEGE

One in five women in college are sexually assaulted, yet only a fraction of these crimes are reported, and even fewer result in punishment for the perpetrators. From the intrepid team behind *The Invisible War* comes *Campus Assaults*, a piercing, monumental expose of rape culture on campuses.

Have you met the “Card Lady”? Nancy Sisler became our “Card Lady” fourteen years ago when she began to design and re-make donated cards for all occasions, selling them for \$1.00 each. She has faithfully contributed the proceeds to the Community Crisis Center. Her goal was to raise \$100,000 for us. Nancy says she does it for two reasons—as a retired school teacher she does it for her love of children, and because “the money stays local”.

Last December, Nancy stopped by the Center to drop off the proceeds from the morning’s card sale at a local Assisted Living Facility. While she was there the daughter of a resident shared with Nancy how much her mother appreciated the cards and Nancy’s visits. Her mother had also mentioned the goal Nancy had set for herself which was a total of 100,000 cards (\$100,000). The daughter asked how far she was away from the goal and when Nancy replied, ‘about \$1100’, the daughter immediately wrote a check for that amount and put it in Nancy’s hand.

A miracle? Yes! And a continuing one. Nancy continues to make cards, often taking them to special places like nursing homes, giving people an opportunity to purchase affordable cards when they cannot get out to shop elsewhere.

We are truly blessed by Nancy’s dedication, talent and many efforts in support of the work of the Crisis Center. Thank you to our remarkable “Card Lady!”

Christmas Thanks

Thank you to everyone for making this holiday the best it could be for the families at CCC. With your help we were able to have a Client Holiday Party for 55 women and children, participate in the Elgin Community Toy Giveaway which provided toys for 950 families and lots and lots of children, and give the ladies and children in shelter a Christmas filled with joy. We were also able to provide over 250 families with a holiday meal. Thank you also to the businesses, groups and individuals who made monetary donations to the Crisis Center. Together we make a difference! Thank you so much!
