\$1,500 Zurich North America Grant

Community Crisis Center is one of 126 nonprofits that have received a grant from **Zurich North America**, a Swiss based insurance company with their North American headquarters in Schaumburg Illinois.

As part of their commitment to **making a sustainable difference** in local communities, Zurich awarded Community Crisis Center funds to

support our Children's Program individual and group counseling.

The Children's Program provides services to children and adolescents staying in our Shelter Program or to walk-in clients who have witnessed domestic violence (DV) or those dealing with other family crises. The mission of our Children's Program is to provide a safe, nurturing environment

where children are free to express feelings, play peacefully, learn non-violent behaviors, and begin to understand the dynamics of DV.

During FY 15 **423** children received **3,389** of counseling service hours at the Crisis Center, and **201** children spent **3,516** nights in our shelter.

Sexual Assault Awareness Month Recap

Prevention of Sexual Assault is at the forefront of our thoughts all year. In April, however, there is a special mandate to discuss the issue. This past April, **Sexual Assault Awareness** was brought to a number of area libraries and colleges. Each week-day a table of information and an Advocate for Sexual Assault Awareness was available at a local library or college.

In addition people attended two special programs at Elgin Community College. *“The Hunt-*

ing Ground,” a movie about the rape culture on major college campuses, provided interest and discussion. This video is still available as either a DVD or streaming at Netflix.

CCC’s own Deanna Hynes and Carolyn Karp along with Eileen Moeller directed a reading of **Eve Ensler’s “Emotional Creature,”** a series of vignettes about women’s empowerment. We wish to thank all who participated whether by participating, attending, or just stopping by an information

table. The month is over; the problem is not. Stay Aware.

When everyone is involved
PREVENTION IS POSSIBLE

CCC Goes to DC

Dr. Kimberly Schellin-Rog, Coordinator of the Domestic Violence Program at Community Crisis Center, received a scholarship from Illinois Coalition Against Domestic Violence to attend the **End Violence Against Women International Conference** held in Washington, DC, March 21-25.

Along with the opportunity to network with Domestic Violence professionals from all 50 states, 4 territories, and 15 countries, Kim was able to attend educational sessions which she shared with staff in

two in-service programs.

An unexpected highlight of the conference was the last-minute appearance of **Vice-President Joe Biden**. Vice-President Biden has long been a supporter of ending violence against women including his support for VAWA funding for shelters such as the Crisis Center.

Among other things, Vice-President Biden reminded the attendees that *“It’s all on us to challenge and change the culture. And it’s in our power.”*

He set this guideline for success: *“We will know we won when not a single solitary woman or man that’s been abused asks themselves ‘What did I do?’ ”*

A Night of Tupperware — and Donations

Rich Jacobs, pictured above right with Tupperware Representative Dee W. Ieye, hosted “A Tupper-

ware Party to Remember” on May 12th with the admission proceeds going to the Community Crisis Center.

Actor **Kevin Ferrell**, Tupperware’s top salesperson and author of Confessions of a Drag Queen Tupperware Lady, entertained the more than 100 attendees while presenting Tupperware favorites along with new additions to the Tupperware line.

A good time was had by all, and the sales (which also benefited the Crisis Center) were outstanding.

Many thanks to those who at-

tended and to those who purchased items.

The evening included frequent moments of hilarity proving once again that it’s fun to donate to the Crisis Center!

Claude and Jan Quisenberry chaired the event with Mike Buhrmann as the MC. Proceeds went to FISH Food Pantry and Community Crisis Center. The concert provided great music, and raised over **\$1,400** for the Crisis Center.

Femmeprov

Femmeprov, a local group of women who do improvisational plays, raised nearly **\$300** for Community Crisis Center on May 21st.

Titled *"My Mother Always Told Me,"* the show was a reprise of their performance at the 2014 Fringe Festival. Femmeprov is directed by Gareth Sitz.
