

Domestic Violence Awareness Rally and Candlelight Vigil

Thursday, October 24

Building E, Seigle Auditorium

In Her Shoes: 5:30 pm to 7 pm

Join us for “In Her Shoes”, an interactive activity involving true scenarios that exemplify what domestic violence victims experience and the barriers they face while being in controlling relationships.

Candlelight Vigil: 7 pm to 8 pm

Following “In Her Shoes”, we will “Unmask Domestic Violence” by sharing information on how domestic violence hides in plain sight due to the victims having to hide their emotional injuries and, more importantly, how those who cause this harm portray a very different picture of themselves and their relationships to the world. We will end the evening by lighting a candle in the memory of those victims who did not survive this abuse.

* In Her Shoes activity and rally event offer 1 free CEU each for LPC/LCPC, LSW/LCSW, CDVP, and CPAIP.
